Certificate of Registration

nqa.

This is to certify that the Privacy Information Security Management system of:

TrustID Ltd

The Blade, Abbey Street, Reading, RG1 3BA, United Kingdom

applicable to:

**Solutions to validate identity, based on bespoke software and scanning technology - preventing fraud and providing organisations with
confidence that they are complying with legislative and regulatory
requirements - and the protection of the associated customer and
corporate information from our Head Office in Reading to UK and
International clients. TrustID is a Data Processor covering the solutions, processes
and operations used to validate identity.**

has been assessed and registered by NQA against the provisions of:

ISO/IEC 27001:2022 as extended by ISO/IEC 27701:2019

This registration is subject to the company maintaining a privacy information security management system, to the above standard, which will be monitored by NQA.
